State of the School 2023-2024

St. Rita School Mission

St. Rita School inspires students in pre-kindergarten through grade eight to achieve academic excellence in a safe, nurturing, and faith-filled Catholic environment. We prepare students to be morally responsible, innovative thinkers who, in today's technology-guided global community, live and share the love of Christ.

Adopted 2016

School Creed

- **As a St. Rita student, I am taught to be responsible and respectful, a good steward and above all, to Love.**
- **At St. Rita School, I receive a Christ-centered education that helps me to grow in peace, courtesy, honesty and faith.**
- **By following the St. Rita Way, I help create a culture of life and love for me and all members of my St. Rita School family.**

Portrait of a St. Rita Graduate

- St. Rita graduates are Christ-centered, lifelong learners. They ask “Why?” and “How?” and “What if?” They show respect for authority, achieve with humility, and take responsibility for their actions. They know the value of community, the necessity of service, and the importance of living with integrity. They are prepared to adapt to a constantly changing world, but they are aware of the constants that never change: trust in God, concern for others, and doing what’s right because it’s the right thing to do.
