

ST. RITA SCHOOL ATHLETICS PARENTAL CONSENT

The purpose of this waiver is to secure the consent of the parent/guardian of the registered student-athlete for participation of the student-athlete in a St. Rita School athletics program.

The following two items must be on file with the St. Rita School office in order to participate in a St. Rita School sport:

1. The St. Rita School Athletics Parental Consent signed by a parent/guardian
2. A physical examination completed and signed within the last year by a physician.

By signing, I hereby give permission for my child (student-athlete) to actively participate in sports at St Rita School. I testify that my student-athlete has been examined by a physician, that a document confirmation the examination is on file at the school, and that my student-athlete is in suitable condition to participate in a St. Rita School sport.

I understand that the school will provide the safeguards for the physical protection of my student-athlete while taking part in St. Rita School Athletics, namely, supervision by coaches during practices and games. I understand that by consenting to this agreement, as the parent/guardian of the registered student-athlete, I agree to absolve St. Rita School, its coaches, and the school authorities from liability in case of injury.
