REVIVE PHYSICAL THERAPY & WELLNESS

At Revive Physical Therapy & Wellness, we pride ourselves in providing a personalized one-on-one experience. Incorporating a variety of different manual, exercise and therapeutic activities, patients at Revive are never "juggled" or "double-booked" with other patients at the same time. With golf season around the corner, Revive will be offering free one-on-one 30 minute mobility screenings to the SRS community from now through March 15. If interested, please contact our practice at 203-745-4973, identify yourself as a SRS community member, and we will get you scheduled!
