

MAKERSPACE LEARNING HUB

Welcome Makers! EXPLORE. THINK. MAKE. LEARN.

St. Rita School made a promise to our parents and students that our school would always be an environment that focuses on educational, spiritual and personal growth. We have solidified that promise with the enrichment of learning in our MakerSpace Learning Hub, which offers unlimited learning possibilities for all our students. St. Rita School is excited to embark on this "Maker Movement" which is in line with the trend of STEM and STEAM curriculum within parochial schools. today. "Be a maker not a taker!"

- VexIQ Robotics
